Section F: Parent Duties and Fundraising Guidelines

The Nursery School is a co-operative venture between the teachers and parents of the children who attend the school. As such we require parent involvement to run the school, including the fundraisers. This helps keep our standards high and our tuition lower. One parent from each family is requested to sign up for one committee during the year. Our Committee's cannot run effectively without parent involvement.

Members' meetings: We have two annual evening meetings, one in the fall and one in the spring. This is your opportunity to keep up to date with school events, elect board members, etc. Attendance is mandatory and we encourage you to come without your children to each of these, if possible.

Cleaning: Each family is required to help once to clean the school toys and carpets. The schedule is issued at the start of the year and you can arrange to switch with another parent if you cannot make your day.

Rockwood Nursery School Waitlist Policy (*revised February 2024*):

The intent of this policy is to prohibit Rockwood Nursery School from charging parents a fee or deposit for the placement of their child on a waiting list for an unsecured spot in the school.

It is also intended that the waiting lists be made available to prospective parents while still maintaining the privacy and confidentiality of all the children on the list.

The waiting list will be arranged according to each class and as spaces become available in a particular class, the first child on the list will be contacted. The parent/guardian will have 48 hours to decide if they will take the spot or decline it, at which point the space will be offered to the next person on the list.
